INTRODUCTION TO THE CONFERENCE

SIMSR International Finance Conference (SIFICO) has been organized by Centre of Excellence in Capital Markets of SIMSR along with Finance and Law Department since last eight years.

The Conference is currently in its 9th edition titled '**Risk Management in Banks and Financial Markets**'. It aims at bringing together academicians, doctoral students, industry practitioners and researchers from regulatory organizations to deliberate on theoretical work, empirical findings and policy implications related to the banking, financial markets and services.

The Conference will provide the participants an excellent avenue to receive quality feedback on their research and an opportunity for networking and publishing.

The earlier eight conferences addressed various issues of financial sector. The forthcoming conference aims at focusing on the risk management and allied areas in banking and financial markets. The banking and financial sector in India is increasingly facing variety of risks. Under such environment the innovative risk mitigation policies are required. SIFICO 2020 aims to cover various issues and concerns that need insightful deliberations by the researchers.
