# MBA: A Million Emotions

MBA, one word and million dreams,  
Our serene campus set at the heart of the city that never sleeps

All Izz Well brought sleepless nights of practice and laughter  
The 25 minute performance and the practices thereafter

We Hustled, we struggled, we worked our heart out  
The anxiety of committee selections and the processes and it's rounds  
But once we became a part of them, Days of joy started coming around

Group presentations, night outs, fests, and evening campus walks  
The Hallowed Night mess became flush with celebrations & Hush Hush Talks

Placement season brought about a frenzied flurry  
Happiness touched the horizons, Post Placement parties celebrating your Glory  
The end of spring in April brought an end to the college days

The memories made here, are gonna entangle our hearts in so many ways  
MBA - the journey bundled up with dreams and aspirations,  
Was cocooned under unforgettable learnings and a Million Emotions
