Transforming, Together

Somaiya Vidyavihar University

Somaiya Vidyavihar University, Mumbai, established in 2019, is a self-financed university recognized by the University Grants Commission (UGC).

With over 6 decades of rich experience in building and managing educational institutes, SVU is reputed as a University that provides everyone the space to embark on a transformational journey where an individual can explore new possibilities, pursue their passion and discover one's true potential.

K J Somaiya Institute of Management

K J Somaiya Institute of Management was established in 1981 as part of Somaiya Vidyavihar (now a constituent institute of the Somaiya Vidyavihar University since August 2019) with the objective of providing state-of-the-art education in management and allied areas. The institute is consistently ranked among the top 25 Management Institutes and Top 10 private sector B-schools in India.

Over the past four decades, the Institute has evolved into a leading B-school offering sector-specific and employment-oriented management programmes. Apart from the regular programmes, the Institute offers customized and industry-specific certificate and executive development programmes for government bodies, companies, defense personnel, and NGOs

Director's Message

I am delighted to welcome you to our MCA programme at K J Somaiya Institute of Management, Somaiya Vidyavihar University. With 40+ years of legacy, K J Somaiya Institute of Management, works with a mission to foster a spirit of inquiry, enable livelihoods, encourage innovations and create good citizenships. Our MCA programme is designed to provide students with a comprehensive understanding of computer application principles and practices. With an emphasis on practical application, our programme prepares you to become innovative problem-solvers and leaders in your chosen field. We have a large number of illustrious and successful alumni who are also a testimony to this legacy. Our key goal at the institute is to develop 'Day 1' industry-ready graduates. We do this by a curriculum designed to ensure that you have a right balance of 'hard' and 'soft' skills besides a strong focus on building your character based on values and governance. We believe that MCA is not just about technical skills, but also about teamwork, communication and collaboration. We are privileged to have a faculty base who are a mix of very

experienced academicians leading research programs and professors who have considerable industry experience. Our faculty members are committed to providing a stimulating learning environment that challenges you to develop your critical thinking, creativity and analytical skills. I invite you to explore our MCA program and discover the opportunities that await you. Whether you are just starting your academic journey or seeking to advance your career, we are here to help you achieve your goals and reach your full potential.

Raman Ramachandran, Ph.D

Director - K J Somaiya Institute of Management
Dean - Faculty of Management Studies,

Industry Connect

Campus Connect by General Mills Inc.

The Quiz Contest was part of the Campus Connect program by General Mills. More than 200 students participated in the Quiz Contest from across 5 different institutes. It was a one-day event wherein 5 teams were selected for the final round.

Kakushin by Nomura Holdings Inc.

Kakushin is an annual hackathon conducted by Nomura India. It is conducted during the placement season when the company invites any IT student to register and apply. It is a multiple round hackathon where the planning, management, technical, and communication skills of students are tested on the competency of the participants to tackle real life problem with the help of technology.

Hackathon

Codeicon 5.0, in collaboration with Impactsure, a prominent consulting and IT solutions company. A total of 18 teams participated. Winning two teams were offered an internship opportunity along with prize money.

MASTER CLASS

The DST area curated a diverse array of master classes catering to both the MCA 22-24 batch and the 23-25 batch. These classes covered various domains including

Design Thinking & user experience design

Big Data analytics

Software Testing

Industry applications of database systems

Python programming

Deep learning

Communication and conversational skills

Etiquette

Tech Interview preparation workshops

LinkedIn profiling

Extra Curricular

The Students of MCA annually conceptualise, plan and execute ICON, a techno-management inter-institute event with different trending themes.

This premier technical festival orchestrated by the Data Science and Technology department at K. J. Somaiya Institute of Management, brings together students from various disciplines, offering a platform to delve into the amalgamation of technology and creativity under the theme "Digital Fusion." The convergence of technology and creativity fosters an atmosphere of innovation and education for the students of KJ Somaiya Institute of Management.

K J Somaiya Institute of Management (KJSIM) signs an MoU to collaborate with ExcelR, to initiate efforts to impart training in emerging technologies to the students and faculty members. This collaboration solidifies KJSIM's commitment to enhance educational offerings and align them with industry requirements.

Student Testimonials

Vidhi Gandhi (MCA Batch 2022- 2024)

Embarking on my MCA journey at K J Somaiya Institute of Management was pivotal for thriving in the competitive IT landscape. From day one, I was drawn to the institution's cutting-edge curriculum, seamlessly blending modern technology with a profound focus on personal development. KJSIM's commitment to technological advancement ensured our education surpassed industry standards, equipping us with vital skills for the dynamic business-tech realm.

Throughout my time at KJSIM, the faculty's dedication to academic excellence remained unwavering. Their support propelled us towards achieving our highest potential, fostering an environment conducive to growth. Serving as the Event Head of our annual tech fest ICON and engaging in various extracurricular activities allowed me to hone leadership skills and foster innovation.

What sets KJSIM apart is its dedication to holistic development through diverse extracurricular activities, cultivating well-rounded individuals and fostering a strong sense of community. Additionally, the tireless efforts of the placement committee ensured ample opportunities for professional growth, further enhancing the value of my time at KJSIM.

My experience at KJSIM has been truly transformative, and I wholeheartedly endorse it as a top-tier institution that values both academic excellence and personal growth.

Ankit Mishra (MCA Batch 2022- 2024)

"Stepping into the realm of MCA education at K J Somaiya Institute of Management marked a pivotal chapter in my educational journey. From the outset, I was enveloped by an atmosphere of innovation and excellence, where the fusion of advanced technology and personal development was a seamless learning experience. KJSIM's steadfast dedication to pushing boundaries ensured that our education transcended conventional norms, empowering us with the skills and knowledge necessary to excel in the dynamic IT landscape.

Throughout my tenure, the faculty's unwavering commitment to academic rigor served as a guiding light, igniting a passion for continuous learning and growth within me. As a member of the Student Council and actively involved in shaping the trajectory of our annual tech fest ICON, I witnessed firsthand the power of collaboration and creativity in driving meaningful change.

Reflecting on my time at KJSIM, I am filled with gratitude for the transformative experiences and invaluable lessons that have shaped me into the professional I am today. Without hesitation, I wholeheartedly endorse K J Somaiya Institute of Management as a beacon of excellence in MCA education, where academic rigor, personal growth, and professional success converge seamlessly."
